

2425 PHYSICAL EDUCATION

The Board of Trustees recognizes the value of physical activity in the development and maintenance of sound physical and mental health. Accordingly, the Board directs the establishment, in accordance with law, and the New Jersey Core Curriculum Content Standards of a program of physical education and the enrollment therein of every pupil in attendance in the school, insofar as each is physically capable of participation. Each course will provide pupils with a regimen of physical exercise and activity, assist pupils in the development of physical skills and achievements, encourage pupils in a spirit of sharing and cooperation, and instill in pupils a life-long appreciation for physical activity. The successive courses of physical education will be so designed as to provide pupils with exposure to a variety of athletic and physical activities.
