CLASS TOPICS

RATIOS, PROPORTIONS, AND PERCENT:

Build on your knowledge of ratios and percents.

THE NUMBER SYSTEM: Master operations with integers and rational numbers

EXPRESSIONS AND EQUATIONS: Learn more about variables in expressions and equations

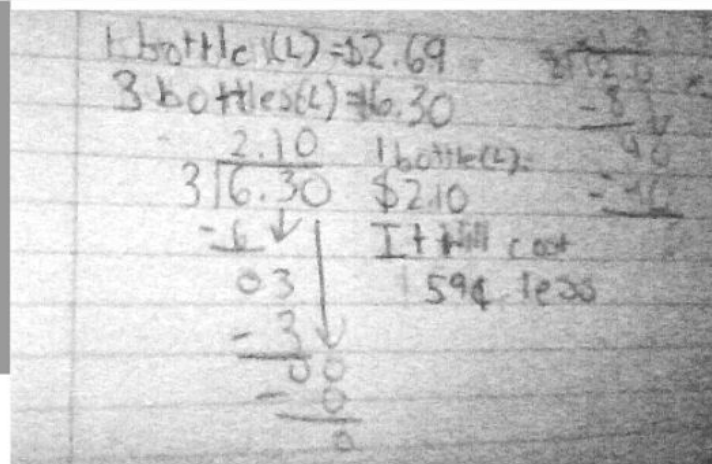

GEOMETRY: Continue learning about area, volume, and surface area.

STATISTICS AND PROBABILITY: Master collecting and organizing data. Calculate the chance that an event will occur

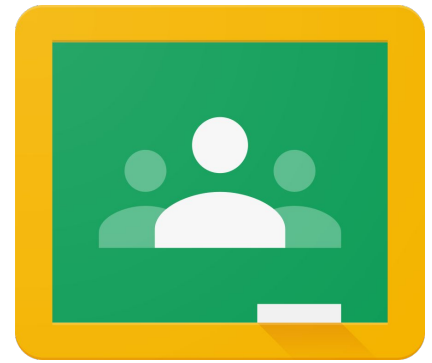

Math Overview

The local grocery store usually sells large bottles of water for \$2.69 each. This week they have a promotion, 3 large bottles for \$6.30. How much less is the cost of a large bottle this week with the promotion?

HOMEWORK IS ALWAYS POSTED IN GOOGLE CLASSROOM!

Homework/Grades

Homework is posted to each teacher's Google Classroom

- Ask your student for their homework! They know where to find it :)

Grades are posted to OnCourse. Go to **oncourseconnect.com** - you should have a username provided by the school - your child should have one too.
