The Board of Trustees directs that all pupils enrolled in the school shall be afforded equal educational opportunities in strict accordance with law. No pupil shall be denied access to or benefit from any educational program or activity or from a co-curricular or athletic activity on the basis of the pupil’s race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The Board shall assure that all pupils are free from harassment, sexual or otherwise.

The Board directs the Education Director to allocate faculty, administrators, support staff members, curriculum materials, and instructional equipment supplies among and between the classes of this school in a manner that ensures equivalency of educational opportunity throughout this school. The school’s curricula in the following areas will eliminate discrimination, promote mutual acceptance and respect among pupils, and enable pupils to interact effectively with others, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability:

1. School climate/learning environment;
2. Courses of study, including Physical Education;
3. Instructional materials and strategies;
4. Library materials;
5. Software and audio-visual materials;
6. Guidance and counseling;
7. Extra-curricular programs and activities;
8. Testing and other assessments.

The school’s curricula will include Multi-cultural Education content and practices, instruction on African-American History in the teaching of U.S. History and instruction on the Holocaust and Genocide.
Affirmative action shall be taken to ensure that pupils are protected from the effects of discrimination, in accordance with Policy No. 2260. Pupils who experience less than equal educational opportunities or experience discrimination shall use the procedure established by Regulation No. 5750 to report and appeal any harassment or discriminatory practice.

The conduct of teaching staff members shall exemplify the highest principles of equality and democracy. Conduct and attitudes that display discrimination are contrary to the policies of this Board and, further, are destructive to the self esteem that this Board wishes to encourage in all pupils. A teaching staff member’s act of derision or enmity, in any form, against a person or persons on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability shall be considered to be conduct unbecoming to a professional staff member of this school and shall be subject to appropriate discipline.

The Education Director shall develop and promulgate a procedure by which a pupil or parent may appeal Board policy, school practice, or the act or omission of any school employee that allegedly violates this policy.
