

Meet the Teacher

Ms. Diana

About Me:

Hello, I'm Miss. Galindo, the new teacher of the second grade Spanish world. This is my first year at the Greater Brunswick School. I am from Mexico and I grew up in New Brunswick / North Brunswick all my life. I am part of this community. My goal is for your child to excel and get to the next grade very well prepared; I trust that working together we will achieve it. In order for a student to excel it is necessary that the parents, the teacher, and the student work together and maintain continuous communication.

I am excited to start working with students and finish the strong 2019-2020 school year.

Contact Me:

I love hearing from the parents!! Please contact me if you have comments, questions and concerns.
