\$5.00 for planner

Your child will use a student planner to help organize school work and homework. The planner will also help you know what your child is working on in school. The planner is like a calendar where your child will write down assignments and due dates for future work. Your child must bring the planner to school every day. Please make sure you look at your child's planner at least once a week. The cost of the planner is \$5.00. **Please send this money in with your child on the first day of school, if you haven't already sent it in.** *If your child loses the planner, then you must purchase a new one.*
