

Meet the Teacher Mrs. Tejada

About Me:

Contact Me:

I would like to take this opportunity to introduce myself. My name is Claudia Tejada, or Mrs. Tejada as the kids call me, and I will be teaching 7th and 8th grade mathematics for the remainder of the school year. I am originally from New York and attended C.U.N.Y. Lehman College in the Bronx, where I attained a bachelor's degree in mathematics. I am a military wife and since graduating in 2015 have done a bit of moving around. I have had the privilege of working with special education students in Hawaii, teaching 6th and 8th grade mathematics in California and, most recently, 7th grade mathematics here in New Jersey. It has been an absolute pleasure getting to know and working with your child this past week. I look forward to a strong finish of the school year!

I speak both Spanish and English and believe frequent communication is vital. If you have comments, questions or concerns the best way to contact me is by email. My Email: claudia.tejada@greaterbrunswick.org
