LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students. (447 of 2000 maximum characters used)

GBCS will continue to work with NJ Commission for the Blind, the Civic League for Greater New Brunswick, and the State Bar Foundation. GBCS will also continue to actively participate in Middlesex County's roundtables for Special Education, English Language Learners, and Federal Administrators of Title Grants. GBCS partners with resident districts regarding services for homeless students and local social services to support underserved students
